Choose your tape format.

All listed rolls are 48 mm wide. Compare thickness, length and packing.

PRODUCT CODE	TAPE TYPE	THICKNESS (µm)	LENGTH (m)	PER CARTON
OPP38	Acrylic · clear	38	75	Enquire
OPP45	Acrylic · clear	45	75	36 rolls
OPP50	Acrylic · clear	50	75	36 rolls
OPPR	Rubber adhesive · clear	45	75	36 rolls
OPPM1000	Acrylic · machine roll	45	1,000	6 rolls
OPPF	FRAGILE printed tape	45	66	36 rolls
OPPT	TOP LOAD printed tape	45	66	36 rolls
V-484566	TOP LOAD · white	45	66	36 rolls

Packing marked "Enquire" is confirmed with your quote. Availability and delivery timing are confirmed for each order.

Carton & conditions

Tell us the carton material and packing or storage conditions.

Dispenser or machine

Include the current roll format, core size and equipment model.

Custom requirements

Share artwork, quantities and timing for custom-print or sourcing enquiries.

Quality documentation

Selected OPP tape samples have independent RoHS restricted-substance testing. Ask about the tested specifications relevant to your order.
